Global Fayre joins Art Walk

Global Fayre is bringing world-changing retail to downtown.
Located at 324 S. Campbell, Global Fayre specializes in fair trade goods. For owners David and Cheri Crump, that means products that provide a fair wage and help people help themselves.
The products come from all over the world, and every item symbolizes lives changed for the better.
While many fair trade goods are traditional crafts handed down for hundreds of years, others are environmentally friendly, modern products that promote self-sufficiency.
For example, Asha purses from India are eco-friendly bags made from recycled plastic, a project started by an Indian prostitute to get herself and other women off the streets.
The Crumps say they chose to open downtown because they wanted a site with a sense of community, not the anonymity of a strip mall.
And downtown’s First Friday Art Walk has a special significance for the couple.
“I proposed to Cheri on an Art Walk night in the Keyes Gallery,” David says.
